. . . SO GREAT A PRICE

JOHN WILLIAM MASON
Class of 1954 (R-H)
Class of 1958 (Annapolis)

A jet aircraft crashing on an airfield in Georgia has shed great tragedy on many of us at **Rush-Henrietta.** The **Class of 1960** takes this opportunity to honor one of those former students whose loss is felt deeply by all those who were privileged to know him — **John William Mason, Class of 1954.** Many of us felt his influence even after Jack had graduated and gone into the world to make his mark.

Every one who knew him loved and respected him, and wanted to be one of his friends. It isn't how long we live that is the measure of our true worth, but the way we live that counts. The brightness of his life will give illumination to others, as he set an example as a student leader, a courageous and resourceful officer, and a devoted husband.

Jack, the first student from Rush-Henrietta to receive a service academy appointment, graduated from the United States Naval Academy at Annapolis in 1958. He accepted a commission in the United States Air Force and was ordered to flight training at various air bases in the south. He was receiving training in all-weather jet flying at Moody Air Force Base at the time of his death.

With all who live as ully as did Jack, comes he greater loss to those ho were close to him. or his wife, the former rline Teschner — his lassmate, childhood weetheart, and bride — is memory will always ive on. His parents too, ill never forget him, as heir only son lives on n their memories, and hey comfort themselves n the thought that while ne lived he set an example in boyhood and in manhood for those around him.

1st Lt. John William Mason USAF
3550th Flying Training Wing (Advanced Interceptor)
Moody Air Force Base, Valdosta, Georgia.

It is with deep humility that the **Class of 1960** commemorates the great oss of a former classmate and student leader — a former Sports Editor f this publication — and express the hope that his death was not in vain ecause of the selfless way in which he lived.

ISITING DAY AT ANNAPOLIS: Jack Mason, (then a Second -class man) greets his parents Mr. and Mrs. Charles Mason of ndustry, N. Y., and his fiancee Arline Teschner in August 1955.

DEDICATION

The Editors of the **Cometeer** wanted to reserve a special place in their book for a very special person, who has been a familiar face on the Rush-Henrietta scene for nearly fifteen years — **Mr. Carleton Webster.**

Mr. Webster has just recovered from a very serious illness during which he contracted cancer of the lymph cells. Mr. Webster is fully recovered thanks to the miracle of modern science and the development of recent wonder-drugs.

Both faculty and students alike, are glad to see "Carl's" smiling face in the corridors and classrooms once again. So the **Class of 1960** joins the many classes before it who benefited from Mr. Webster's patience, kindness, and wit, to recognize this fine teacher and human being, as one who wouldn't give up when the "chips were down!" **Thank you, Mr. Webster, we're glad you're back!**

"BUSINESS AS USUAL!" Back in the classroom after his long absence, Mr. Webster prepares for a class in remedial reading.

. . . OF HANDS OUR THEME

. . . Of hands our theme, of mastery our joy,
of laughter, work and tears our simple scroll,
of hope and will and chance our common fate —
of these we proffer, rich in time and bold
in innocence, this record of our days: —
of these we make our book . . . remembering . . .

. . . the hands that sifted sand and straining stretched
on winter boots (the left foot on the right);
and hands that crayoned purple trees and built
a blocky Pisan tower; hands that formed
the numbers of Protagoras' world
and so laboriously learned to trace
the orphic lines unlocking mind, and drew
(grotesquely huge) similitude of speech . . .
of these we make our book . . . remembering . . .

. . . the hands that smoothed the fledgling party curls,
and curled in conscious power round a bat
and ball; the hands that quickly learned the way
of things, becoming deft, adroitly sure
of countless skills; the hands that suddenly
began to grow and had to learn again
forgotten skills; that, clumsily inept,
regained control and tamed intransigence . . .
of these we make our book . . . remembering . . .

. . . the hands that wrote exams and set the press,
the hands that built a flat and lathed a lamp,
the hands that conjugated verbs and sank
a vital set, the hands that covered books
(and sometimes wrote in them); the hands that held
another hand and, mesmerized, forgot to type,
or blew the lab to smithereens, or cut
a frog in twenty pieces; hands that hung
the streamers for a dance; and, always, hands
that rested peaceful in a duty done . . .
of these we make our book . . . remembering . . .

. . . the hands that clutched the vibrant ache of mirth
and trembling brushed away the bitter tears;
the hands that burned with ache of futile toil
and hands that strove, achieved, and longed for might,
but waited pensive for the fates; the hands
that knew at last their finite impotence
and knowing then became not only tools
but symbols of our dreams — transcending sheer
mechanics, portents of our destiny . . .

So we, rememb'ring too the night of man,
have moulded words to cheat the dust and weld
our story black against the pulp-dust page
as pledge before the fundamental surd,
as hope beside the nature of the world,
as dream against the predicated doom;
And pledge we too our hands, our theme, our joy,
to build in bronze our finest thoughts, to reach —
though battered, aching, torn by raging scars —
forever groping toward the glist'ring stars.

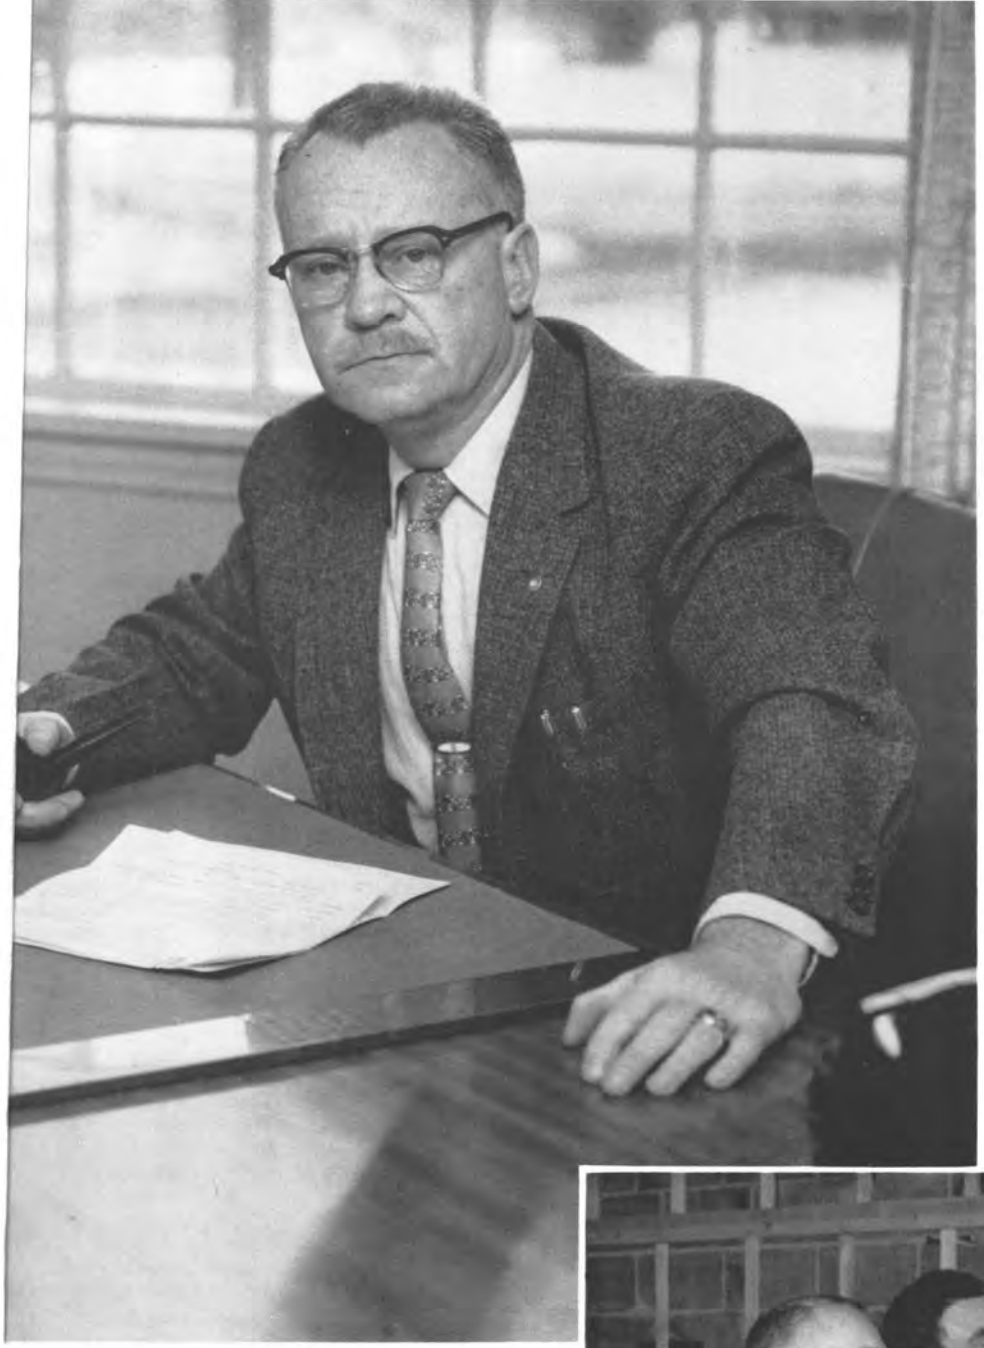
"THE HAND AT THE CONTROLS - - - "



DISTRICT PRINCIPAL
Mr. John W. Parker

John W. Parker, who will complete his twenty-fifth year with the **Rush-Henrietta School** system this year, first joined the staff in 1935 as a teacher of social studies, mathematics, English and as a coach of basketball.

Mr. Parker has been district supervising principal since 1952. Last summer the Board of Education and the Administration moved into offices of their own Lehigh Station road. Foremost among Mr. Parker's interests in the past months has been the completion of badly needed additions to the Main Building, and the planning of a new Junior High school building to be completed in 1962.

NEW ADDITIONS to the Main Building are discussed by **Mr. Parker** and the General Contractor, **Mr. Ray Chinappi,** President of Ray-Bon Construction Corporation.

"THE HANDS THAT HOLD THE REINS . . . "

BOARD MEMBERS observe construction of new wing. **Left to Right:** Mr. Young, Mr. McClelland, Mr. Tuety, Mrs. Van Ostrand, Mr. Cartwright and Mr. Green.

BOARD OF EDUCATION; 1959-1960 — Seated, Left to Right: Mr. John Young, **Mr. Thomas Tuety, President;** and Mrs. John Van Ostrand. **Standing:** Mr. Russel Green, Mr. Robert McClelland and Mr. Randle Cartwright. (Mr. Ralph Harding was not included in this picture.)

The **Board of Education** for the school year 1959-1960 consists of Thomas Tuety, President, Mrs. John Van Ostrand, John Young, Ralph Harding, Robert McClelland, Russel Green and newly elected member Randle Cartwright.

These dedicated citizens freely give of their time and energy to concern themselves with the problems of education at **Rush-Henrietta.** It is largely through their efforts that the schools of this community are a better place to learn and grow.

This year the Board was especially concerned with the development of new additions to the Main Building. New wings to be opened in the Spring provide increased facilities for Industrial Arts and Physical Education. The cafeteria was expanded and additional classroom space was provided. The Library was enlarged and space was provided for student activities.

"Anything to hurry completion!" Mr. Parker "shows" Board Member, Mr. Young through new wing.

"Rust is a Problem" Mr. Oscar Dell, Director of Transportation, points out to Mr. Green under bus lift.

'Station wagons are useful!" agree Board Members McClelland, Cartwright and Green.

"THE HANDS THAT TURN THE CLOCK ! - - - "

HIGH SCHOOL PRINCIPAL
Mr. Charles W. Kinyon
University of Rochester
A.B. and M.Ed.

Mr. Charles Kinyon came to Rush-Henrietta in 1951 after teaching three years at Gorham Central School. He has been High School Principal since 1955, acting as assistant principal before that. Mr. Kinyon has been keenly interested in the development of a Junior High School. This year saw the adoption by the voters of a bond issue enabling the fulfillment of a dream Mr. Kinyon and all of us have been wishing for.

HIGH SCHOOL VICE-PRINCIPAL
Mr. Richard G. Rice
Dartmouth College A.B.
Univ. of Rochester M.Ed.

Mr. Richard G. Rice, Vice-Principal of the High School since 1957 was a most popular teacher when he headed Rush-Henrietta's History Department. He hasn't lost his cheery smile and word of greeting and is welcomed into classrooms alike, by both student and teacher.

Mr. Rice's principle interest at Rush-Henrietta is the improvement of the instructional program and he spends his time trying to find ways to improve the quality of the education this school offers.

Mr. Kinyon and Mrs. Eury prepare display of plans for the new Junior High School.

ENGLISH AND FOREIGN LANGUAGE DEPARTMENTS

The **English Department** is very happy to lcome back Mr. Webster who has pre-usly been absent from school because illness. Mr. Webster is now teaching medial Reading. Mr. Byrne is finishing t the year as temporary chairman of the glish Department.

The **Foreign Language Deparment** offers four-year sequence in the following lan-ages: French, Spanish, German, and tin. Initial training in each of the lan-ages is offered in the exploratory lan-age classes for the Seventh and Eighth ades. This enables a pupil in his ninth ar to select one which he is sure he hes to study. He is encouraged by his cher to follow through a three or four ar sequence.

With the advent of the language labora-ies and its emphasis on the aural-oral proach more effective methods can be d in teaching these subjects.

The **Mathematics and Science Department** has as its basic goal, at the junior high school level, the preparation of future citizens to live in a scientific world. Therefore, courses at this level are designed to give the student a broad view of science and mathematics.

At the high school level, courses are designed primarily to prepare the student for specialization in mathematics or science fields in college. Courses are available for each year of a student's high school career. Thus a person may take, at the high school level, a combined total program of eight years of study in the area of mathematics and science.

CITIZENSHIP EDUCATION DEPARTMENT

"THESE ARE THE LOW COUNTRIES!" points out **Mr. Rittenhouse,** Teacher of World History, to students Jack Marsden and Barbara Braun.

It is the belief of the **Citizenship Education Department** of **Rush-Henrietta Central School** in the light of current world tensions, and needs, that the major objectives of the secondary school be to prepare pupils for an effective place in life by developing in them qualities of active, intelligent and practical citizenship.

We further believe that the current emphasis on scientific and mathematical education makes it all the more imperative that our young citizens and future leaders be aware of, and completely understand the social and human progress and mores of mankind and particularly of the United States, its people and its democratic institutions.

MUSIC DEPARTMENT

Pictures of musical groups could have been placed under the heading of math and science, for at one time music was a branch of mathematics. Today music is a vast subject with its own branches. Besides being a broad avenue to one of the highest intellectual attainments of man, music also renders many valuable services to the school and the community. Because of the wide range of music and its services it is necessary to have more than just a band and chorus. This is why we have such extra-curricular groups pictured here along with the major organizations. The titles of these groups speak pretty well for themselves as to what branch of music they explore and what services they render. The members of the **Music Department** are: Mrs. Lynda Brill, Mrs. Jane Fraley, Miss JoAnne Feist, Mr. Giles Hobin, Mrs. Eleanor Lindboe, **Mr. Richard Mc Crystal,** Chairman; Mrs. Janet Weed, and Miss Marilyn York.

ADULT EDUCATION — — —

The **Adult Education** program at **Rush-Henrietta** provides the full facilities of the school system for adults who are anxious to learn new skills and refresh old ones. Popular classes are those in oil painting, archery, choral singing, men's and women's physical training, typing, shorthand, sewing, dress making, furniture refinishing and ceramics.

Many of the instructors are day-time members of the faculty who assist their "older charges" much as they do during regular school session. The adult program conducts classes for two ten-week semesters one in the fall and the other in the spring. A full high school equivalency program is provided for those citizens who were not able to receive their high school diplomas earlier. In addition, classes are conducted for the foreign-born who wish to perfect their English and to learn more about America, its customs and its heritage.

Director of the Adult Program is **Mr. George Rittenhouse,** who is also Chairman of the Citizenship Education Department of **Rush-Henrietta.** In addition to the above courses, Mr. Rittenhouse has assisted in providing Driver's Training, woodworking, and copper enameling classes for adults.

Miss Mary Wilder, (Dressmaking) and **Mr. Harold Manning** (Driver's Training) confer with **Adult Education Director Rittenhouse.**

SENIOR CLASS ADVISORS — Standing, Left to Right: Mr. Hailes, Mr. Saunders, Mr. Fay. **Seated:** Mrs. Ellickson.

Class meetings were held on the first Friday of each month for the purpose of discussing class business. 1959-60 was a busy year for the **Senior Class** with many functions to plan.

After the excitement of the Inauguration had passed in the Fall, plans were made for the Senior sponsored Christmas dance. Then work began on the high-light of the social season — the Senior Ball. The next big project was the Senior Play, "Arsenic and Old Lace" presented by the class in February. After this plans were made for the Senior Banquet and eventually the greatest event of all — graduation!

OUR HISTORY - - -

As we, the graduating students of the **Class of 1960,** look back over the past four years, we have many happy and some sad moments to remember.

It does not seem so very long ago that we were all looking forward to starting our Freshman year in "high school." During that year we had many fine leaders. Our class officers for that year were: President, Bob Kester; Vice-President, Anne Rapp; Secretary, Gretchen Wilke; Treasurer, Terry Marlowe; Reporter, Bill Friel; Student Council Representatives, Dick Krenzer and Dave Offen. Our big event for that year was our Freshman Mixer. Everyone really enjoyed themselves at their first "big" class dance. It was our very first "high school" dance, and we were quite proud of ourselves. Of course, it would not have been such a big success if **Mrs. Suzanne Gibson,** our adviser, hadn't really "pitched in" and helped us a great deal. We appreciated it very much and deeply thank her for her help. The one other event that took place that year was a splash party held at the "Arnett Y" on Chestnut Street.

As Sophomores, we were no longer considered "babies." We had a wonderful year with many rewarding achievements. Our class was led by Fran Day, President; Pat Dart, Vice-President; Sharon Lindsay, Secretary; Joan Hofer, Treasurer; and Frank Latucca, Reporter. The Student Council Representatives were Carole Baker, Nancy Mack, and Terry Marlowe. Our Sophomore Hop, which was named the "Sputnik Hop," was quite a big success. Everyone was so sure it was going to be a failure that they nicknamed it the "Sputnik Flop." Only fifteen advance sale tickets were sold. However, as things turned out, we made a profit of thirty-five dollars. Gene Fausette designed a large rocket made of cardboard and wrapped in tinfoil. The rocket was placed in the middle of the gym floor, and balloons and little "sputniks" were hung from the ceiling. **Mr. Mitchell** helped a great deal in preparing the rocket and the little "sputniks." Everyone enjoyed themselves and thought the decorations were very clever.

Our Junior year is one which none of us will ever forget. It was filled with so many happy memories that it is rather hard to know where to begin. Our leaders were "tops" and really knew how to run our class. Mike Spinelli, a swell and well-known guy, was President; Gretchen Wilke, a very cute and terrific girl, was Vice-President; Ann Callari, the "gal" who always livens things up, was Secretary; Dave Offen, a fellow everyone knows and likes, was Treasurer; and John Wheeler who is everybody's friend, was Reporter. We had some great kids representing us in Student Council that year. They were Carole Baker, Terry Marlowe, and Bill Krenzer. During this year **R-H** almost made it to the sectionals. John Eckhardt was "king of the court." To raise money for our Junior Prom we made and sold pom-poms. That was really a job, but we had a lot of fun! That year we also had many baked-food sales at the basketball games. Finally we had enough money! Carl Dengler and his Orchestra played for our dance. The theme was "Apple Blossom Time" with pink and white as the main colors. We "had a ball" decorating the gym and were quite tired when we finished. However, it was really worth-while. Mary Fargo was chairman and did a terrific job. Everyone commented on our decorations—even the Seniors ! ! Carole Irvine was in charge of decorations; John Wheeler was in charge of the construction of the garden; Gretchen Wilke, publicity; Merry Lomas, refreshments; and Dave Offen, the sale of tickets.

Sharon Lindsay, dressed in a yellow dress, and Gary Nelson, wearing a gray suit, were chosen "King and Queen." All eyes were on them as they danced to the tune of "Apple Blossom Time."

Our class turned out many beauties for the Harvest Queen contest that year. Sharon Lindsay was chosen alternate for West Brighton; Marie Rennison was Queen for Rush with Anne Rapp as alternate; and Cheri White was alternate for Henrietta. Everyone was proud of those pretty and versatile young ladies.

CLASS HISTORY

(Continued from page 51)

Our Senior year is the best of them all. There is so much to do that we haven't much time to feel sad about leaving. Our officers for this year are: President, Gretchen Wilke; Vice-President, John Wheeler; Secretary, Joan Hofer; Treasurer, Fran Day; Reporter, Cheri White; and Baked-Foods Chairman, Ann Callari. Our Student Council Representatives are Anne Rapp, Mike Spinelli, and Dave Offen (alternate). Our Student Council officers are: John Eckhardt, President; Carole Baker, Vice-President; and Jan Ferret, Secretary. Sharon Lindsay was elected Treasurer. John, Carole, and Sharon are seniors and Jan is a Sophomore.

The President's cabinet, which plays a larger part in the school government than ever before, consists of Joan Hofer, Judy Kelly, Gretchen Wilke, Gary Nelson, Bob Howitt, and Sherman Craig. Joan, Judy, Gretchen, and Gary are Seniors, while Bob and Sherman are Juniors.

We will never forget the crowded halls and the mix-up in our daily routine. The construction on our building and the growing number of Junior High pupils were the main causes of this confusion. It was difficult to get used to the change at first, but we all survived without much difficulty. We will always remember the "freezing" cold halls and dodging the workmen and their wheelbarrows. However, we all realized that we were going to gain a beautiful new school and didn't complain too much. It didn't spoil our fun and it did add to our many memories of our Senior year.

The opening of the new cafeteria was a great day for us. The Junior High moved into the old cafeteria and the Senior High enjoyed the new one. It was less crowded and a lot quieter!

Our Senior Play, under the direction of **Mr. James McGhee,** was "Arsenic and Old Lace," by Joseph Kesselring. The characters were: Abby Brewster, Lea Worboys; The Rev. Dr. Harper, John Zollweg; Teddy Brewster, Dave Horsey; Officer Brophy, Mike Spinelli; Officer Klein, Ron Spooner; Martha Brewster, Merry Lomas; Elaine Harper, Sharon Lindsay; Mortimer Brewster, John Wheeler; Mr. Gibbs, Don Woodard; Jonathan Brewster, John Parker; Dr. Einstein, Bob Barnes; Officer O'Hara, Fletcher McTaggert; Lieutenant Rooney, Gary Nelson; and Mr. Witherspoon, Dave Sherwood.

During our Senior year there were many exciting things going on. "La Mer Bleue," (The Blue Sea) which was the name of our Senior Ball, was held on Saturday, January 30, 1960, in the high school gym. Everyone was excited about decorating the gym for the last "big dance" of our high school days. Fran Day was Chairman and did a terrific job. Carole Irvine was in charge of decorations. Merry Lomas was in charge of refreshments. Chuck Bobbitt was in charge of publicity, and Tom DeNoto was in charge of the lighting. Blue was the main color. Dark blue crepe paper made the ceiling and doorways leading into the "underwater scene." Carl Dengler and his orchestra played for us. **Mr. Giles Hobin,** music director, sang a couple of numbers for us. Everyone thought he was marvelous and wanted to hear more.

Anne Rapp, looking radiant and gracious, in a yellow and white formal, was crowned queen. Her date, John Wheeler, looking as handsome as ever, was crowned king. They were quite surprised and thrilled. They really made a striking couple!

One person who worked just as hard as the students, and who was invaluable to us, was **Mr. Kinyon.** He did so much for us, even to sweeping and cleaning the floor. We, the Seniors, would like at this time to express our deepest thanks and gratitude to a wonderful man, our principal. Without his generous help we might not have had such a successful dance. We all deeply appreciate it.

Graduation is soon approaching. For some it will be a sad moment and for others it will be a happy moment. It does not seem possible that many of us will not see or hear from each other again. However, the fun and good times we have had together will last each and every one of us a life time of memories.

Respectfully submitted,

Joan Hofer
Secretary

STUDENT COUNCIL

)ANCERS AT THE INAUGURAL BALL wait impatiently for the lection results to be announced.

This year the **Student Council** is under the direction of John Eckhardt, President. During the summer John, and his opponents, Gary Nelson and Gretchen Wilke were campaigning, holding poster parties and planning their platforms. Elections were held near the end of September and when the ballots were counted John Eckhardt's party emerged victorious. This placed John Eckhardt, President, Carole Baker, Vice-President, and Janice Ferrett, Secretary, in office.

Meetings of the student government body are held every Tuesday. The organization works closely with the administration to solve problems of a busy high school, and to plan for a well-rounded social and athletic atmosphere for the student body. The **Student Council** plans various dances and baked food sales and co-ordinates the activities of the various classes. Written reports of the proceedings of the Council meetings are distributed to home rooms.

The **Student Council** of **Rush-Henrietta** is truly an example of democracy in action, and gives students a chance to practice good citizenship while still in school in preparation for the time in the near future when they will take on the duties of full-fledged citizenship.

SENIOR NATIONAL HONOR SOCIETY

The **National Honor Society** has two annual inductions, one in the fall and one in the spring. Members are limited to 15% of the Seniors and 10% of the Juniors who have maintained an average of 85%. Although selections for membership are based primarily on scholastic achievement, character and leadership are definitely considered.

FUTURE TEACHERS

The **Future Teachers' Club** was organized to give high school students interested in teaching as a career a good idea of what is really involved. The "future teachers" score papers, type tests, and get actual teaching experience under the guidance of a teacher. In this way students obtain a basis upon which to decide whether they would make good teachers and whether they are really interested in the type of work that teaching entails.

Several **Rush-Henrietta** students interested in science worked on projects and took a test in connection with the Westinghouse Science Talent Search. John Zollweg's high test score brought him a scholarship. His project concerned a new method of analyzing chemicals which depends on the fact that chemicals react to an electric field.

WIDE HORIZONS

During the last two years **Rush-Henrietta** has sent two representatives to attend the new "Wide Horizons" lecture series at the **University of Rochester.** These representatives were chosen on their scholastic achievement and on the probability of their benefiting from such a program. The Wide Horizons group is composed of students from the various high schools in the area. Experts from the University speak to the group on topics in their field.

SENIOR PLAY AND DRAMATICS

The **Dramatics Club** and the **Senior Play** organizations at **Rush-Henrietta** had a busy season, presenting two major productions. The Dramatics Club presented Oscar Wilde's satire on British manners, **"The Importance of Being Earnest,"** in the fall. The high point of the spring season was the superb production of Joseph Kesselring's **"Arsenic and Old Lace"** which played to a record audience. **Lea Warboys** starred in the role made famous by Josephine Hull on Broadway of the little old lady who enjoyed poisoning her gentlemen callers. Additional pictures and the cast of "Arsenic and Old Lace" appear on page 105.

Rush-Henrietta has formed the **Debating Club** under the direction of **Miss Auralie Vail** and **Mr. Jerome Dalton.** The club participates in matches with teams from other schools. A panel of judges, usually teachers and advisors scores the contestants and teams are awarded points based on the arguments they are able to present.

One current topic under discussion is Dr. Conant's twenty-one recommendations for the improvement of the American school. These include such things as ability grouping, required courses, and the development of marketable skills.

A debate is conducted in the following manner. The first affirmative presents an eight-minute speech discussing the history of the problem, the needs for improvement, and plans for improvement. The first negative then cross-examines the first affirmative. The first negative presents an eight-minute speech which is then cross-examined by the first affirmative. This procedure is repeated for the second affirmative and the second negative.

A five-minute recess is allowed and then each person is permitted a four-minute rebuttal.

The competition is interscholastic including schools outside Monroe County and even schools as far away as Conesus.

The **Debating Club** is very beneficial for it provides an excellent background for public speaking. It teaches one to prepare a resasonable and logical argument, and perhaps most important of all, it's lots of fun!

SENIOR BAND

The **Senior Band,** under the direction of Mr. Richard McCrystal, is one of the best known groups at **Rush-Henrietta.** It marches the student body into the auditorium for assemblies and performs at the Senior High Christmas and Spring Concerts. The band also participates in the NYSSMA in which school bands, orchestras, and choruses compete. This spring the **Rush-Henrietta** band played all grade four music.

For the first time several band members participated in the Monroe County All-High Band.

R.H. school band marches in **Memorial Day** parade in Rush on May 30.

Karen, Jody, and Gail Summerhays sing "Frosty, the Snowman" at Christmas concert of the band.

Kathy Stark, Karen Oldroyd, and Linda Banning sing "Too Young" at Christmas concert of the band. Bill Muto accompanies on the piano.

The R-H band practices marching and formations for the Memorial Day Parades to be held in Henrietta and Rush.

DANCE BAND

The **Rush-Henrietta Dance Band** or "Nick Christian's Band," its official name, is now in its second year of existence. The band was started by a few enterprising boys under the direction of **Mr. Richard McCrystal** and rehearses once a week. The band plays at dances at school and performs at assemblies. It sounds quite professional and is a wonderful addition to Rush-Henrietta.

DANCE BAND — Third Row, Left to Right: John Zollweg, Frank Tedesco. **Second Row:** Roger Michelson, Joe Uebelacker, Chuck Kinyon, Dave Sherwood, Ron Spooner, Dave Rogers. **First Row:** Roger Carlson, Ralph Harding, Mike Spinelli, Gary Casale, Byron Hinkson.

PEP BAND

The **Pep Band** adds a lot of spirit and sparkle to basketball games as it plays the school song or "Bleacher Boogie." This group, directed by Mr. McCrystal, practices weekly to perfect its marches and create spirit at pep assemblies and games.

PEP BAND — Third Row, Left to Right: Fred Graney, Frank Tedesco. **Second Row:** Roger Michelson, Joe Uebelacker, Roger Carlson, Ron Spooner, John Zollweg, Byron Hinkson. **First Row:** Barbara Senkpiel, Gail Moore, Bob Biswanger, Joan Schulz.

The **Senior Chorus** is a group of seventy-three students in grades ten through twelve directed by **Mr. Giles Hobin.** Mr. Hobin is new to the Rush-Henrietta faculty this year and came to us from the Rochester Colgate Divinity School where he still teaches music. His experience is evident in the fine performances given by the group this year.

The chorus, which meets bi-weekly to learn the skills and techniques of singing, is an integral part of Rush-Henrietta's music department. It performs for the school Christmas and Spring Concerts and has participated in the NYSSMA and the All-High Music Festival at Highland Bowl.

JUNIOR VARSITY CHEERLEADERS

Alternates: Nancy Nelson and Lois Mack

The **Junior Varsity Cheerleaders** cheer the Junior Varsity Basketball team to victory. The girls are chosen for having such qualities as co-ordination, poise, and good grooming. They must also be good representatives of the school as they have a large part in promoting friendship between **Rush-Henrietta** and her rivals. Many of the girls go on to become Varsity Cheerleaders.

The Junior Varsity Squad, co-operating with the Varsity Squad, leads pep assemblies, stages skits, and does many other things to boost school spirit and get the school behind her teams. This year the cheerleaders sponsored record hops after each game to encourage spectators to attend.

SPECIAL EVENTS

WE DANCED ALL NIGHT

"Apple Blossom Time," the time of year when everything is pink and green and lovely, was chosen as the name of the Junior Prom of the Class of 1960

APPLE BLOSSOM TIME

Over 70 couples attended the Prom, which featured a springtime garden, complete with tulips, daisies, and myrtle, a sparkling brook, and a quaint garden bench.

Mary Fargo was general chairman of this event. Carole Irvine was chairman of decorations; Dave Offen was in charge of tickets; Gretchen Wilke, of publicity; Merry Lomas, of refreshments; John Wheeler was in charge of the garden.

Everyone enjoyed the music of Carl Dengler's Orchestra and Quartet.

After the Grand March, Gary Nelson and Sharon Lindsay were crowned as king and queen of the Prom, and danced together to the theme song of the evening, "Apple Blossom Time."

OUR STEP FORWARD

This section of the yearbook is devoted to you, the **Rush-Henrietta Junior High School** student. In the following pages, you will find events and activities that are of interest to you. This portion of the yearbook concerns your classmates and you, the junior high student.

The editorial staff of the Junior High Yearbook wish to extend our sincere gratitude to Gretchen Wilke and her staff of the 1960 Cometeer for the invitation to publish this section of the yearbook. Without the co-operation of the Senior High Staff, this recognition of the classes of 1963, 1964, and 1965 would be impossible. We also wish to thank Mr. Gerald Dalton, our advisor who helped us a great deal, and made it possible for some of us to aspire to jobs on the Senior High Yearbook staff in years to come!

JUNIOR HIGH

With the growing number of students in the **Junior High School** has come the need for a larger and more extensive faculty.

In the Junior High, students are taught basic courses in English, mathematics, social studies, and science which serve as a foundation for the more specialized courses offered in the High School. Also in preparation for high school, students do exploratory work in languages, art, home economics, and industrial arts. The same teachers who teach these classes also supervise many activities which extend the students' interests into fields other than those covered in the classroom.

The present Junior High students will be better able to make future years more productive because of the guidance and training received from their teachers.

Hi Ammon,
Keep the pressure rolling along with your bowling ball!
Bob (Wingo)

Dear Ammon,
Well, here it is, the end of your senior year already. It all goes so fast. We had a lot of fun last winter. The best of luck in all your future endeavors; you deserve the best.
Barbara Senkpiel
God bless you.

am
Best of luck always in whatever you may attempt. Its been nice knowing you in school and in the sports we have been active in.
